

## Who should use this form

Please read CT41G *Notes* before filling in this form. If the company is dormant, please complete this form and send it to us at the address you enter below.

We treat a company as dormant if it has not started, and is not about to start, any business activity. An accounting period will start when a company comes within the charge to Corporation Tax - that is, broadly, when it begins any business activity.

<b>HMRC address shown on form CT41G <i>New Company Details</i></b> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> Postcode <input type="text"/>	<b>Your company name</b> <input type="text"/>  <b>Your company Unique Taxpayer Reference (UTR) - this is shown on form CT41G <i>New Company Details</i></b> <input type="text"/>
---	--

Please read the following statements and tick the one that applies to the company.

<b>The company is dormant. I have kept form CT41G <i>New Company Details</i> and will send it back when the company becomes active</b> <input type="checkbox"/>  <b>Date the company's first accounting period will start</b> <i>DD MM YYYY</i> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>  <b>I do not know when the company will become active</b> <input type="checkbox"/>  <b>The company is a shelf company. I will pass form CT41G <i>New Company Details</i> to the new owner when the company is sold</b> <input type="checkbox"/>	<b>The company has never been active. The reason for its incorporation has been abandoned and the company will be struck off</b> <input type="checkbox"/>  <b>The company was formed to protect a name etc., and does not intend to become active. If the company becomes active I will complete form CT41G <i>New Company Details</i></b> <input type="checkbox"/>  <b>If none of these statements apply, give details below</b> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>
